Commissioner of Patents

This application has been forwarded to the Board of Interferences for consideration of interference. Claims 36-40 and 51-52 are allowable. Claims 36, 38-40 and 51-52 are being considered for interference.

Claims 30-35, 41-50 and 53 remain withdrawn from consideration as being drawn to non-elected inventions. The traverse of the restriction is deemed moot in view of the pending decision on interference. Authorization to cancel the non-elected claims, in necessary, was given by Attorney Stephen Reiter on 17 April 1996.

The outcome of Interference No. 103694 has a material bearing on the patentability of the claims in this application. Prosecution in this application is SUSPENDED pending a final judgment in the interference.

Applicant should call this case up for action upon termination of the interference.
